YARD

Are you looking for a studio, office or retail space?

Blue House Yard is a redevelopment and re-imagining of an empty and underused car park site minutes from Wood Green station, in the heart of Haringey. High Street Works, in partnership with London Borough of Haringey, have transformed the site into a hub for local creatives, entrepreneurs and residents. The site has been running since 2017.

All spaces are let on a fair rent policy with prices between 50-80% of market value, on flexible terms and with no up-front deposits. Combined with a people-focused approach this creates impacts varying from retail incubation opportunities, business growth and job creation, to a new community and cultural events venue.

Blue House Yard is a friendly, inclusive, multi-disciplinary and experimental collection of workspaces for local people. They are the ones that fill the spaces with life - from start-ups to social to creatives making it their place of work. It is also a place that residents and workers in the area make use of to meet others and discover things being produced by tenants and other space users.

Our spaces

OFFICE / STUDIO SPACE

We have twelve light-filled, self contained studios / offices within the blue house. There is a communal central seating area and shared kitchenette. Studio sizes range from 4 - 25 m² and rent price varies accordingly.

RETAIL SHEDS

Nine retail worksheds provide makers and small businesses with a flexible space to work and sell from. With retail space at ground floor level and storage / maker-space on the second floor, they present a great opportunity to try out new business ideas or as a first affordable retail window for existing businesses. Located around the community yard, they create a village feeling in the heart of Wood Green.

BUS-BAR

The yard also features our big red bus - currently home to Ludo's! Ludo's serve up craft beers and natural wines alongside entertainment nights throughout the week. It is the perfect destination for a unique evening out in North London.

COMING SOON

Former cab office located by the entrance of the site. A crucial spot with great visibility and generous outdoor space included, we will be looking for a business to attract footfall and advertise the yard.
